

## #159 Write about a group that is stronger together.

 [thelifeofmine3.wordpress.com/2024/03/29/29-write-about-a-group-that-is-stronger-together/](https://thelifeofmine3.wordpress.com/2024/03/29/29-write-about-a-group-that-is-stronger-together/)

March 29, 2024

Person 1: Hey there! Have you ever pondered the strength of solidarity?

Person 2: Hello! Indeed, it's remarkable how much more resilient we become when we collaborate.

Person 1: Absolutely! That's precisely what I wanted to discuss with you. Which collectives gain strength from unity?

Person 2: Well, it varies depending on the collective's influence and purpose, but I believe any assembly, whether political or not, benefits from people coming together.

Person 1: Agreed. How does unity serve these diverse collectives?

Person 2: Unity enables them to confront issues like racism, challenge ineffective governance, and address social injustices such as assault and abuse.

Person 1: yep, What obstacles do they surmount when unified?

Person 2: Mobilizing regular individuals against powerful authorities or governing bodies is no easy feat, but when achieved, it can profoundly impact and reform society and makes history.

Person 1: absolutely, Why is cooperation crucial for our prosperity?

Person 2: It's like the saying goes, "United we stand, divided we fall." However, instilling in everyone the importance and purpose of unity can be the greatest challenge.

Person 1: Can you cite instances of diverse groups achieving more through unity?

Person 2: Take, for instance, the "Jallikattu protest," where people from all walks of life in Tamil Nadu united against the ban on Jallikattu. It was an awe-inspiring demonstration of collective action.

Person 1: Any personal anecdotes?

Person 2: Well, during my school days, there was an occasion when we wanted to celebrate our last day, but our teachers and principal prohibited it on campus. Despite not being directly involved, I stood in solidarity with my classmates as we reclaimed our celebration and held it outside. Later, when questioned, I maintained my support for our collective decision.
